## CAREER OBJECTIVE

Builder-minded web developer focused on creating responsive, user-friendly web applications and solving real problems through code. I enjoy turning ideas into functional products and learn best through building and shipping projects. Seeking an opportunity to contribute and grow in a real development environment.

## TECHNICAL SKILLS

**Frontend** — HTML · CSS · Tailwind CSS · JavaScript (ES6+) · React.js · Next.js

**Backend** — Node.js · Express.js · MongoDB · Mongoose · REST APIs · BetterAuth

**Languages** — JavaScript · Java · C · C++ · Python

**Tools** — Git · GitHub · VS Code · npm

**Soft Skills** — Problem-solving · Rapid prototyping · AI-assisted development · Self-directed learning

## PROJECTS

### SunCart — Summer Essentials E-Commerce Store

A responsive frontend e-commerce application for browsing and shopping summer essentials — sunglasses, skincare, beach gear — with a seasonal, brand-forward UI.

Live: [sun-cart-b13-a8-bv7w.vercel.app](https://sun-cart-b13-a8-bv7w.vercel.app) | GitHub: [Sun-Cart-B13-A8](#)

- Product catalogue with category filtering and individual product detail views
- User authentication system with login and registration flows
- Fully responsive layout across all screen sizes built with Tailwind CSS
- Engaging homepage with hero section, featured products, and brand showcase

### MediQueue — Tutor Discovery & Session Booking Platform

A full-stack platform connecting students with expert tutors — browse by subject, check real-time availability, and instantly book online or offline sessions.

Live: [b13-a9-client-three.vercel.app](https://b13-a9-client-three.vercel.app) | Client: [B13-A9-client](#) | Server: [B13-A9-server](#)

- Subject-based tutor discovery with availability filters and profile cards
- Instant session booking with auto-generated unique session tokens per booking
- Dual session mode support — online and offline — with flexible time slot management
- Full-stack architecture: Next.js frontend, Node.js/Express.js REST API, MongoDB database

## EDUCATION

**Stamford University Bangladesh**

2023 – Present

B.Sc. in Computer Science & Engineering

## LANGUAGES

**Bengali** — Native   **English** — Fluent   **Hindi** — Basic
